

In turbulent times, great leaders encourage connections. AGSN would like to share with you one such unique connection through an article in a guest column titled, **Post COVID-19, ( Times-News.com)**, penned by non-other than our **Chairperson, Dr.Mrs.Amita Chauhan Ma'am**. Combined with her experience of over 30 years as an educator, her diverse experiences make her believe that her 40,000 children are becoming stronger, resilient and empathetic from the present disruption

The article is a reaffirmation of the message that, we shall overcome the crisis and the aftermath will make the major stakeholders- the learner, the educator and the parent- the proponents of creativity and positivity.
